PRODUCT PROFILE

**5 INDA SPAZIO**

Spazio is more than a product, it's a concept, says Inda about its new collection of bathroom furniture. Designed in line with modern solutions and user requirements it features adjustable height pieces with ambient lighting and ample storage space. Touch commands on the mirror also allow Spazio to be adapted to the individual needs of each user.

**7 TRIFLOW CONCEPTS QUADRO SYSTEM**

Triflow Concepts is set to unveil its revolutionary four-way water-delivery system at this year's 100% Design. Expanding on its patented Triflow technology – known for delivering hot, cold and filtered water through segregated waterways within one spout – the new system introduces instant hot, filtered water heated to 98°C. The Quadro System comes in range of designs and will also be available in a number of existing Triflow taps, including the Zaha Hadid version.
