KBB LONDON

This month the KBB sector descends on the Capital for what promises to be a busy three days at the ExCel exhibition centre

COME AND MEET
THE *DESIGNER*
TEAM AT
KBB LONDON -
STAND F21

THE all-encompassing kbb London show takes place this month, bringing together a broad selection of brands from the kitchen and bathroom industry.

Attracting visitors from across the professions – including retailers, architects, interior designers and property developers – the exhibition will be the scene for the first UK showing for a number of key products from some of the leading manufacturers.

In addition, several key features will make the event more than just another trade show:

THE ROOM: A dedicated area of the exhibition featuring some of the most luxurious premium brands in the market. High-end products from BC Designs, Roca and Laufen will be on show.

KBB LONDON INNOVATION CENTRE: Presented in association with *Designer* magazine, 20 of the most innovative new products from the kitchen and bathroom industry will be showcased here. A panel of judges including designers Robin Levien of Studio Levien, David Fisher of Seymourpowell and *Designer* editor Martin Allen-Smith, will pick an overall →

Above: Among the exhibitors will be Triflow Concepts, which will be presenting a number of new designs as well as its iconic Zaha Hadid tap

Below: Parapan will be showing its new Bordeaux colour on stand B40

REFLECTIONS FROM TK COMPONENTS AT KBB LONDON 2011
Reflections Black features a flat, square-edged design with high gloss slab doors edged in 1.5mm PVC, offering clean and sleek lines and a minimalist uncluttered look. It can be mixed and matched with the additional colourways available within the Reflections range to create an ageless or ultra-contemporary kitchen and can be further customised through an extensive choice of handles.

TRIFLOW CONCEPTS

Triflow Concepts' new Triflow Quadro System builds on the company's patented technology - known for delivering hot, cold and filtered water through a dedicated waterway in a single spout - and adds the convenience of instant hot, filtered water heated to 98°C. Available in a range of contemporary designs, including award-winning models by Zaha Hadid, the Triflow Quadro adds a touch of elegant convenience to kitchens.

AEG NEUE KOLLEKTION PRODUCT RANGES WIN IF DESIGN AWARDS

Six different product ranges in AEG's Neue Kollektion have won iF Design Awards in 2011's "Household/Living" appliance category including;

- AEG MaxiKlasse ovens
- AEG Compact products
- AEG MaxiSense Bridge hobs
- AEG CrystalLine hobs

The design language of the Neue Kollektion products is both simple and humane. A strong design signature connects across all product ranges, creating an aligned, integrated look.
