HOT SEAT

For a bar stool that stands out from the crowd, try the Spoon from Kartell. Designed by Antonio Citterio and Toan Nguyen, it was inspired by the profile of a tablespoon. Made from polypropylene with a height-adjustable gas-lift pump, it comes in Red, Aluminium, Orange, White and Black (shown) and costs £313.54. Contact 0845 459 2164, arredo.co.uk.

SIMPLY CLASSIC

Inspired by early-20th-century design, Martin Moore & Company's new Modernist range can be seen at its Esher showroom. Kitchens start at £30,000. Contact 0845 180 0015, martinmoore.com.

DESIGN STATEMENT

Delicate filigree panels give the new Arte hood from Blanco by Gutmann a facade that is more than just a decorative feature. Airborne particles pass over the panels, which act as filters, cooling cooking fat quickly to capture a remarkable 95 per cent of odours and steam. From £2,183. Contact 0844 912 0100, blanco.co.uk.

KITCHEN NEWS

Update the heart of your home with the latest appliances and accessories

WHITE HEAT

Whirlpool has added a crisp ivory finish to its Ambient range of intelligent ovens. A standard 60cm-wide oven starts at £470. Contact 0844 815 8989, whirlpool.co.uk.

“Smart Grid” technology promises an efficient use of renewable energy, while appliances that use it will reduce utility bills.”

PRIVATE VIEW

Batik artist Annie Phillips has collated a database of more than 300 works that can be transformed into unusual glass splashbacks using the latest digital printing technology. From £1,000 for a 60x70cm panel of 10mm glass. Contact 020 8458 6620, anniephillips.co.uk.

TRUE COLOURS

The funky new e-Bodum Bistro collection of small appliances now comes in vibrant colours such as Lime Green (shown), Purple, Orange and Red. Designed with simplicity and space-saving in mind, the range includes a hand mixer (above), £38; juicer, £42.50; and blender stick, £47. Contact 0845 401 7778, bodum.com.

CENTRE STAGE

Kohler's Stages system includes chopping boards, six prep bowls, a storage rack and utensil tray to create extra preparation space on worktops. The sink starts at £1,157 and the Karbon taps are £1,190 each. Contact 0844 571 0048, kohler.co.uk.

ALL FOURS

Triflow Concepts has expanded its patented Triflow technology, which delivers hot, cold and filtered water separately from one spout, to include instant hot filtered water, heated to 98°C. Called the Quadro system, it is available on many existing models plus several new designs, including the elegant TF/KTQ837 in Chrome (right), £2,292. Contact 01708 526361, triflowconcepts.com. ■
