READER EVENT: DESIGN TALK AND WINE TASTING

'House & Garden' is hosting a special evening at *Triflow Concepts*, Portland Place, W1, on November 16, 6–8pm, with a talk on sustainable design by architect and interior designer *Rabih Hage* (below right), who is an authority on collectible design, and who has established a new online design think tank – www.detnk.com. This will be followed by a tutored wine tasting by *Martin Hudson* (below left), Master of Wine at Berry Bros & Rudd. Kitchen and bathroom tap manufacturer *Triflow Concepts* is renowned for its unrivalled innovation in delivering hot, cold and filtered water through dedicated waterways within one spout. The company and its latest launch, the 'Triflow Quadro' (above), the revolutionary four-way water delivery system, will be introduced by *Triflow Concepts* director *Nicolette Kivok*. Tickets cost £20 per person, and include a Champagne reception with canapés and a gift bag. To book, send a cheque payable to 'Triflow Concepts Ltd', with your details, to *Julia Page*, Triflow Evening, House & Garden, Vogue House, Hanover Square, London W1S 1JU □
