

# SPECIFICATION

MODEL: 1808

- Electronic Filter Housing
- Zaha Hadid Design
- Inspired by flow of water
- Single lever Hot and Cold

## TEMPERATURE RANGE:

Min: 1°C / 34°F  
Max: 75°C / 167°F

## AVAILABLE FINISHES:

Chrome  
Nickel

## RECOMMENDED WORKING PRESSURE:

Min: 1.5 bar  
Max: 5 bar

## Triflow Electronic System

Triflow Concepts introduce the latest evolution of their patented, three-way Triflow® technology – a unique touch-sensitive electronic button to activate the filtered water. Indicated by the subtle Triflow logo, the touch-sensitive button connects directly to a sleek electronic filter housing system which sits under the sink. This mains operated intelligent system makes the button glow green when activated and red when the filter needs replacing.
